

Dear Porsche Club Members,

It is my pleasure to have the opportunity to introduce AUTOMOBILIA West Palm Beach, a premier automotive protection and restyling company headquartered in the exquisite New Haven, CT area. We've recently expanded our company to West Palm Beach, FL. With over 22 years of experience, our company prides itself on providing unrivaled customer service and expertise to our clientele. We are one of the top 20 service providers of XPEL paint protection films out of thousands of US service providers, which shows our expertise in the industry. As a proud sponsor of the Porsche Club of America for the past decade, we have had the privilege of working with esteemed Porsche owners and enthusiasts. Our monthly meetings with Porsche owners have made us a hub for the most passionate Porsche enthusiasts in Connecticut. We recently held our Porsche Club meeting for the month, and it was an amazing turnout. The energy in the room was electric, and we cannot wait to share the media from the event with you.

Our 11,500 square foot facility is a world-class operation that operates similarly to an upscale auto dealership. Our team of knowledgeable and experienced professionals takes pride in providing the highest level of service to our esteemed clients. At AUTOMOBILIA West Palm Beach, we use the latest technology and techniques to protect and restyle your vehicle. We have a brand-new Ford F-450 with an enclosed trailer that we will be using to transport our clients' cars. This is a complete white-glove service, ensuring that your prized possessions are delivered safely and securely to our facility.

We are delighted to share that our company owns a Porsche Turbo S sporting an Artisan Ryft exhaust, and we are eager to be involved in the Porsche Club of Florida to meet more like-minded Porsche owners. We would be honored to participate in club events and offer our services to Florida Porsche enthusiasts.

I invite you to explore our website [Automobiliq](#) and our [Instagram](#), where you can immerse yourself in the beauty of our operations and our daily content showcasing the look and feel of our operation. I have no doubt that our services will pique the interest of the most discerning Porsche owners who have an unyielding passion for the art of driving.

Thank you for taking the time to read this email. We look forward to hearing from you soon.
